Import Tariffs

Armenia, Belarus, Kazakhstan, Kyrgyzstan, and Russia are members of the Eurasian Economic Union (EEU, also known as the EAEU) under the Governing body of the Eurasian Economic Commission (EEC). Most duties are levied on an ad valorem basis. However, some goods are subject to specific duties and others to a combination of specific and ad valorem duties. Specific duties are based on unit of measurement such as weight or volume and are stated and calculated in European currency units. Currently, about 85% of tariffs are harmonized across the EEU. Please keep in mind that there may be individual tariff rates that are not harmonized yet, although all tariff lines must be harmonized by 2025.
